**DIVISION 3 - LICENSE, PERMITS, REGISTRATION, INSPECTIONS AND FEES**

SEC. 11.2.3-1 LICENSE OR REGISTRATION REQUIRED. Except as specifically otherwise provided in this Chapter, it shall be unlawful for any person, firm or corporation to do or perform any installation, alteration, maintenance or repair of or to any mechanical system, heating system, ventilating system, cooling system, steam and hot water heating system process piping, boiler and pressure vessels, appliances utilizing gas, liquid or solid fuel, chimneys and vents, mechanical refrigeration systems, fireplaces, barbecues, incinerators, crematories, or other process, matter or material regulated by or within the scope of the International Mechanical Code, 2012, as adopted and modified hereby, without being appropriately licensed and/or registered under the provisions of this Chapter. (Amended 5/7/84)(Amended 11/19/90)(Amended 11/20/95 by Ord. No. 4354)(Amended 3/18/02 by Ord. No. 4782)(Amended 12/17/12 by Ord. No. 5478)

SEC. 11.2.3-2 Deleted 2/5/07 by Ord. No. 5116.

SEC. 11.2.3-3 LICENSING PROCEDURE. The procedure for obtaining a Mechanical, Heating, Ventilating, Air Conditioning, or Refrigeration License shall be as follows:

- A. Applications for a Mechanical, Heating, Ventilating, Air Conditioning, and Refrigeration License shall be received by the HVAC Inspector on forms which may be obtained from him. The application shall state on it the name, address and place of business of the applicant.
- B. All applicants for Mechanical, Heating, Ventilating, Air Conditioning, and Refrigeration License shall be at least eighteen years of age and shall have had at least four years practical experience in the type of work authorized by the type of license sought, or shall have satisfactorily completed a course of study in the subject for which the license is sought, given by a recognized school, and have had at least one year of practical experience in addition thereto.
- C. Each applicant for a license under this Division must pass the Standard Master Mechanical Exam established by the International Code Council.
- D. Each applicant must pay a \$50 application fee with the application for a license. If the applicant is successful, then the fee may be applied to the first year's license.
- E. No License or registration shall be required for the installation, maintenance, alteration, or repair of any solid fuel burning fireplace, room heater, or barbeque.

(Entire Division amended 2/5/07 by Ord. No. 5116)

SEC. 11.2.3-4 RESERVED.

SEC. 11.2.3-5 RECIPROcity AND REGISTRATION. Any person, firm or corporation who is registered or licensed for the current year in any city, village or town in the State of Illinois where the requirements of registration or licensing on the date of such registration or licensing were substantially equal to or greater than the requirements provided in this Chapter, and if such city, village or town extends a similar privilege to persons licensed under this Chapter, shall not be required to take the examination or pay the license fee as provided in this Chapter, in order to engage in the type of mechanical, heating, ventilating, air conditioning or refrigeration work authorized by the individual's license, but prior to commencing any work, shall file a copy of his registration or license with the HVAC Inspector of the Town and pay an annual \$50 registration fee. (Amended 12/18/00 by Ord. No. 4696)

SEC. 11.2.3-6 NON-TRANSFERABILITY. No license issued under this Chapter or registration hereunder shall be loaned, rented, assigned or transferred.

SEC. 11.2.3-7 RENEWAL AND REINSTATEMENT. Any person, firm or corporation receiving a Heating, Ventilating, Air Conditioning or Refrigeration License, as provided for in this Chapter, has the right, without further examination, to have that license renewed annually upon payment to the Town Treasurer of a license fee and the execution or renewal of the bond required by this Chapter. (Amended 9/19/83)

The license fee for an annual renewal of a Mechanical, Heating, Ventilating, Air Conditioning or Refrigeration License shall be \$50.00. All licenses shall expire on the 31<sup>st</sup> day of December of each year. (Amended 1/19/93 by Ord. 4104)

Any license forfeited for non-payment of a renewal fee may be reinstated upon the payment of the annual renewal fee without re-examination, provided however, after the same has been delinquent for a period of one year, then the same shall be null and void and may not be renewed or reinstated.

SEC. 11.2.3-8 REVOCATION OF RIGHTS AND PRIVILEGES. Any licensee or person registered in the Town of Normal under this Chapter may have his license or registration revoked by the HVAC Board for cause, after notice and an opportunity to be heard in his own defense. Cause for revocation of a license or registration shall include, but shall not be limited to:

- A. Refusal or failure to make any necessary corrections to mechanical, heating, ventilating, air conditioning or refrigeration work within a reasonable time after notification of the defects therein.
- B. Failure to obtain permits required by this Chapter.
- C. Transfer of permits.
- D. Failure to call for required inspections.
- E. Unwillingness or inability to install mechanical, heating, ventilating, air conditioning or refrigeration work in accordance with the terms and provisions of this Chapter.

- F. Performing work not authorized by the Class of license held.
- G. Violation of any provision of this Chapter.

SEC. 11.2.3-9 PERMITS REQUIRED. Except as specifically otherwise provided in this Chapter, it shall be unlawful for any person, firm or corporation to do or perform any installation, alteration, maintenance or repair of or to any mechanical system, heating system, ventilating system, cooling system, steam and hot water heating system process piping, boiler and pressure vessels, appliances utilizing gas, liquid or solid fuels, chimneys and vents, mechanical refrigeration systems, fireplaces, barbecues, incinerators, crematories or other process, matter or material regulated by or within the scope of the International Mechanical Code, 2012 and the International Fuel Gas Code, 2012, as adopted and modified thereby, without first obtaining a permit in the manner provided by this Chapter and specifically SEC. 106 of the International Mechanical Code, 2012 and the International Fuel Gas Code, 2012, as adopted and modified hereby. (Amended 5/7/84)(Amended 11/19/90)(Amended 11/20/95 by Ord. No. 4354)(Amended 12/17/12 by Ord. No. 5478)

SEC. 11.2.3-10 RESERVED.

SEC. 11.2.3-11 FEES.

- A. Doing Work Without a Permit. If any person, initiates construction, erection or alteration of heating, ventilating, air conditioning or refrigeration work in any structure without first taking out a permit, such person shall pay, in addition to the regular fees prescribed for permits, an additional amount equal to one hundred percent (100%) of the fee required, and upon conviction, may be subject to the penalty provisions of this Chapter. (Amended 12/17/12 by Ord. No. 5478)

SEC. 11.2.3-12 INSPECTIONS.

- A. Inspection Required. It shall be unlawful for any person, firm or corporation to conceal mechanical equipment or occupy or permit the occupancy of any building or structure having mechanical systems or equipment within the scope of regulation provided by the International Mechanical Code, 2012, as adopted and modified hereby, without in each case and in each stage of installation calling for an inspection in the manner provided in this Chapter, and specifically SEC. 107 of said Code, and obtaining approval thereof by the HVAC Inspector or other authorized inspector from the Town Building Inspection Department. (Amended 12/17/12 by Ord. No. 5478)
- B. Inspection Upon Complaint. Upon complaint, in writing, of any citizen of this Town as to the unsafe condition of any part of any such mechanical, heating, ventilation, air conditioning or refrigeration system within the Town, it shall be the duty of the HVAC Inspector or other designated inspector of the Town's Building Inspection Department to inspect such part complained of, and if he finds that such complaint is well grounded, or if he otherwise finds any defect, to require the owner of the property on which the defective condition is located to put such part in proper condition, and it shall then be the duty of such person, firm or corporation to put such defective part in proper condition.

- C. Condemnation of HVAC Work or Equipment. The Town HVAC Inspector or other designated Inspector of the Town Inspection Department shall have the authority upon inspection or reinspection to condemn any or all mechanical, heating, ventilation, air conditioning or refrigeration work installed or being installed that may be considered unsafe or hazardous to life and property. Upon condemnation of such work, he shall serve a written notice upon the person owning, using or installing the safe or the owner of the property on which such work is located, to place the work in a secure and safe condition and in compliance with the provisions herein contained.

It shall be unlawful for any person, firm or corporation to utilize condemned mechanical, heating, ventilating, air conditioning or refrigeration work.

SEC. 11.2.3-13 EXCEPTIONS.

- A. From the License or Registration Requirements of SEC. 11.2.3-1:

1. Owner-Occupants. The owner-occupant of a one-family dwelling may, with the assistance of any member of his family, personally carry on in such house any work governed by this Chapter without a license or registration, provided that such owner shall obtain a permit for any such work and shall call for inspections as provided in this Chapter. Such owner-occupancy shall be retained for at least one year from the date of final inspection and approval of such work.
2. Holders of Electrical Licenses and/or Registration. Persons, firms or corporations holding any validly issued Town of Normal electrical licenses or being appropriately registered under Chapter 11.3 of the Municipal Code of the Town of Normal, Illinois, 1969, as amended, may install totally electric, self-contained heating equipment not requiring the installation of any duct or pipe work. (Amended 12/17/12 by Ord. No. 5478)

- B. Other. As provided in the International Mechanical Code, 2012, as adopted and modified hereby. (Amended 5/7/84)(Amended 11/19/90) (Amended 11/20/95 by Ord. No. 4354)(Amended 12/17/12 by Ord. No. 5478)

(SEC. 11.2.3-1, 11.2.3-3, 11.2.3-9, 11.2.3-11, 11.2.3-12, and 11.2.3-13 Amended 11/1/04 by Ord. No. 4975)

**DIVISION 4**

**SEC. 11.2.4-1 SCOPE OF DIVISION.** The provisions of this Division shall control the design, installation, alteration, maintenance and repair of all mechanical systems, heating systems, ventilation systems, cooling systems and hot water heating system process piping, boiler and pressure vessels, appliances utilizing gas, liquid or solid fuels, chimneys and vents, mechanical refrigeration systems, fireplaces, barbecues, incinerators, crematories, other process matter or material regulated by or within the scope of the International Mechanical Code, 2012, as adopted and modified thereby, within the Town of Normal. All such installations shall conform to the provisions of this Chapter and the International Mechanical Code, 2012, as adopted and modified hereby. It shall be unlawful for any person, firm or corporation to design, install or alter any system, equipment or component thereof in any way other than that authorized by this Chapter and the International Mechanical Code, 2012, as adopted and modified hereby. (Amended 12/17/12 by Ord. No. 5478)

**SEC. 11.2.4-2 ADOPTION OF THE INTERNATIONAL MECHANICAL CODE, 2012, WITH AMENDMENTS.**

- A. **Incorporation by Reference.** There is hereby adopted by the Town of Normal for the purpose of establishing rules and regulations for the utilization of materials, construction, installation, alteration, maintenance and repair of all mechanical systems, heating systems, ventilating systems, cooling systems, steam and hot water heating system process piping, boiler and pressure vessels, appliances utilizing gas, liquid or solid fuels, chimneys and vents, mechanical refrigeration systems, fireplaces, barbecues, incinerators, crematories and other process matter or material regulated by or within the scope of the International Mechanical Code, 2012, as adopted and modified thereby, placed in or utilized in connection with any building or structure within the Town of Normal, a certain Code known as the International Mechanical Code, 2012, of the International Code Council, Inc., particularly the 2012 Edition thereof, with specific additions, deletions, insertions, modifications and amendments (which said Code as so amended is in this Chapter referred to as the International Mechanical Code, 2012), not less than one copy of which with the specific additions, deletions, insertions, modifications and amendments has been, for more than thirty days prior to the adoption of the Ordinance incorporating it by reference, and is now filed in the Office of the Town Clerk of the Town of Normal. The provisions of said Code are hereby adopted and incorporated as fully as if set out at length and the provisions thereof as added, deleted, inserted, modified and amended by Paragraph B of this Section shall be controlling in regard to all buildings and structures within the corporate limits of the Town.

As editions and amendments to the IMC are officially adopted and published by the International Code Council, such new editions and amendments are hereby adopted by the Town of Normal without further action by the Town Council and such new editions and amendments shall be effective when published by the International Code Council except for those sections which are specifically modified, amended or deleted by this Division of the Municipal Code of the Town of Normal.

B. Additions, Deletions, Insertions, Modifications, and Amendments to the International Mechanical Code, 2012.

1. Insert the phrase “Town of Normal, Illinois” in all locations in the International Mechanical Code, 2012, where parenthetical reference is made to the “name of jurisdiction”.
2. Delete Section 102.8 - Referenced Codes and Standards and substitute therefore the following:

The codes and standards referenced in this Code shall be considered part of the requirements of this Code to the prescribed extent of each such reference.

Where differences occur between the provisions of this Code and other adopted codes and standards, the more restrictive provisions shall apply.

3. Delete Sections 103.1 – 103.3 and substitute therefore the following:

Section 103.0 – Department of Building Inspection.

Section 103.1 – Building Inspection Department. The Building Inspection Department of the Town of Normal shall be the “Department of Mechanical Inspection” as that term is used in this Code.

Section 103.2 – Building Commissioner. The Building Commissioner of the Town of Normal shall be the “Code Official” as that term is used in this Code.

Section 103.3 – Restriction of Employees. The Code Official or employee connected with the Department of Building Inspection except one whose only connection is that of a member of the Board of Appeals established under the provisions of SEC. 11.2-1 of the Municipal Code of the Town of Normal, Illinois, 1969, as amended, shall not be engaged in or directly or indirectly connected with the furnishing of labor, materials or appliances for the preparation of plans or the specifications therefore, unless he is the owner of the building, nor shall such officer or employee engage in any work which conflicts with his official duties or with the interests of the Department.

4. Section 104.7 – Department Records. Delete this Section.
5. Section 106.4.3 – Expiration. Add the following sentence to the beginning of this Section 106.4.3:

Every permit issued shall expire and become invalid 180 days after issuance or a later date if a later date is indicated on the permit by the building official.

6. Section 106.4.6 – Retention of Construction Documents. Delete this Section.
7. Section 106.4.7 – Previous Approvals. Delete this Section.
8. In Section 106.5.2 insert the following: “See SEC. 11.2.3-11 of the Municipal Code of the Town of Normal, Illinois, 1969, as amended”.
9. Delete Section 106.5.3 Fee Refunds.
10. Section 108.1 – Unlawful Acts. Add the following at the end of Section 108.1:  
  
It shall be unlawful for any property owner to have on his or her property any equipment which is in violation of any provision of this Code or to allow any person, firm or corporation to erect, construct, alter, repair, remove, demolish or utilize a mechanical system in violation of this code.
11. Section 108.2 – Notice of Violation. Substitute the word “may” for the word “shall” in this Section. Add the following at the end of this Section: In addition Notice may be provided to the owner of any property upon which a violation occurs. The owner of any property shall be responsible that all mechanical systems on the property are in compliance with this Code.
12. Section 108.3 – Prosecution of Violation. Delete the phrase “If the notice of violation is not complied with promptly.”
13. Delete Section 108.4; insert in lieu thereof the following: "See SEC. 11.2.6-4 of the Municipal Code of the Town of Normal, Illinois, 1969, as amended".
14. In Section 108.5 where parenthetical reference is made to (amount); insert in lieu thereof the following: "See SEC. 11.2.6-4 of the Municipal Code of the Town of Normal, Illinois, 1969, as amended".
15. Delete Section 109 and all sub-paragraphs; insert in lieu thereof the following: "See Division 2 of Chapter 11 of the Municipal Code of the Town of Normal, Illinois, 1969, as amended."
16. Delete Appendix B - Recommended Fee Schedules.

**Entire Division 4 Amended 9/15/03 by Ord. No. 4893 (Amended 2/5/07 by Ord. No. 5116)(Entire Division 4 Amended 12/7/09 by Ord. No. 5301)(Amended 12/17/12 by Ord. No. 5478)**

**DIVISION 6 - ADMINISTRATION**

SEC. 11.2.6-1 CONSTRUCTION OF CHAPTER. Nothing in this Chapter shall be construed to exempt any person, firm or corporation from liability now existing, or that in the future may arise, to the Town of Normal, or any person for damage from negligence or from defective construction relating to maintenance or installation, alteration or repair of mechanical systems, heating systems, ventilating systems, cooling systems, steam and hot water heating system process piping, boiler and pressure vessels, appliances utilizing gas, liquid or solid fuel, chimneys and vents, mechanical refrigeration systems, fireplaces, barbecues, incinerators, crematories, or other process, matter or material regulated by or within the scope of the International Mechanical Code, 2012, and the International Fuel Gas Code, 2012, as adopted and modified thereby within the corporate limits of the Town of Normal or on Town property outside the corporate limits of the Town, nor to release any person, firm or corporation from any restriction under ordinance granting them their respective franchises nor shall the Town be held to assume any liability by reason of the inspection authorized herein or certificate or permit being issued pursuant to the provisions of the Chapter, or from a failure of the Inspector to perform his full duties hereunder. (Amended 5/3/82)(Amended 5/7/84)(Amended 12/17/90)(Amended 11/20/95 by Ord. No. 4354)(Amended 12/17/12 by Ord. No. 5479)

SEC. 11.2.6-2 CONFLICT OF PROVISIONS OF CODE OF THE TOWN; EFFECT OF PARTIAL INVALIDITY. In any case where a provision of this Chapter is found to be in conflict with any zoning, building, fire safety or health provision of the Code of the Town existing on the effective date of this Chapter or hereafter adopted, the provision which establishes the higher standard for the promotion and protection of the health and safety of the people shall prevail. In any case where any other of the Code provisions of the Town establish a lower standard for the promotion and protection of the health and safety of the people, the provisions of this Chapter shall be deemed to prevail.

SEC. 11.2.6-3 SEVERABILITY. It is hereby declared to be the intention of the Town Council of the Town of Normal, Illinois, that the several provisions of this Chapter are severable in accordance with the following:

- A. If any Court of competent jurisdiction shall adjudge any provision of this Chapter to be invalid, such judgment shall not affect any other provision of this Chapter not specifically included in said judgment order.
- B. If any Court of competent jurisdiction shall adjudge invalid the application of any provision of this Chapter to a particular property, building or structure, such judgment shall not affect the application of said provision to any other property, building or structure, not specifically included in said judgment order.

SEC. 11.2.6-4 PENALTIES. Any person found guilty of violating, disobeying, omitting, neglecting or refusing to comply with, or resisting or opposing the investigation or enforcement of any of the provisions of this Chapter, or any of the Codes adopted and modified hereby, upon conviction thereof shall be punished by a fine of not less than Twenty-Five (\$25.00) Dollars nor more than Two Hundred (\$200.00) Dollars for the first offense and not less than Fifty (\$50.00) Dollars nor more than Five Hundred (\$500.00) Dollars for the second and each subsequent offense

in any 180 day period; provided, however, that all actions seeking the imposition of fines only shall be filed as quasi-criminal actions, subject to the provisions of the Illinois Code of Civil Procedure. A separate and distinct offense shall be regarded as committed each day upon which said person shall continue any such violation, or permit any such violation to exist after notification or knowledge of the existence thereof. (Amended 6/3/02 by Ord. No. 4797).

(ENTIRE CHAPTER 13 AMENDED BY ORDINANCE NO. 3301, 5/7/84)(ENTIRE CHAPTER 13 AMENDED BY ORDINANCE NO. 4427, 12/16/96)

## DIVISION 7 – FUEL GAS CODE

SEC. 11.2.7-1 SCOPE OF DIVISION. The provisions of this Division shall control the design, installation, alteration, maintenance and repair of all fuel gas piping systems, fuel gas utilization equipment and related accessories within the scope of the International Fuel Gas Code, 2012, as adopted and modified thereby, within the Town of Normal. All such installations shall conform to the provisions of this Chapter and the International Fuel Gas Code, 2012, as adopted and modified hereby. It shall be unlawful for any person, firm or corporation to design, install or alter any system, equipment of component thereof in any way other than that authorized by this Chapter and the International Fuel Gas Code, 2012, as adopted and modified hereby.

SEC. 11.2.7-2 ADOPTION OF THE INTERNATIONAL FUEL GAS CODE, 2012, WITH AMENDMENTS.

- A. Incorporation by Reference. There is hereby adopted by the Town of Normal for the purpose of establishing rules and regulations for the design, installation, alteration, maintenance and repair of all fuel gas piping systems, fuel gas utilization equipment and related accessories within the scope of the International Fuel Gas Code, 2012, as adopted and modified thereby, placed in or utilized in connection with any building or structure within the Town of Normal, a certain Code known as the International Fuel Gas Code, 2012, of the International Code Council, Inc., with specific additions, deletions, insertions, modifications and amendments (which said Code as so amended is in this Chapter referred to as the International Fuel Gas Code), not less than one copy of which with the specific additions, deletions, insertions, modifications and amendments has been, for more than thirty days prior to the adoption of the Ordinance incorporating it by reference, and is now filed in the Office of the Town Clerk of the Town of Normal. The provisions of said Code are hereby adopted and incorporated as fully as if set out at length and the provisions thereof as added, deleted, inserted, modified and amended by Paragraph B of this Section shall be controlling in regard to all buildings and structures within the corporate limits of the Town. As editions and amendments to the International Fuel Gas Code are officially adopted and published by the International Code Council, such new editions and amendments are hereby adopted by the Town of Normal without further action by the Town Council and such new editions and amendments shall be effective when published by the International Code Council except for those sections which are specifically modified, amended or deleted by this Division of the Municipal Code of the Town of Normal.
- B. Additions, Deletions, Insertions, Modifications and Amendments to the International Fuel Gas Code, 2012.
1. Insert the phrase “Town of Normal, Illinois” in all locations in the International Fuel Gas Code, 2012, where parenthetical reference is made to the “name of jurisdiction.”
  2. Delete Section 102.8 – Referenced Codes and Standards and substitute therefore the following:

The codes and standards referenced in this Code shall be considered part of the requirements of this Code to the prescribed extent of each such reference.

Where differences occur between provisions of this Code and other adopted codes and standards, the more restrictive provisions shall apply.

3. Delete Sections 103.1 – 103.3 and substitute therefore the following:

Section 103.0 – Department of Building Inspections.

Section 103.1 – Building Inspection Department. The Building Inspection Department of the Town of Normal shall be the “Department of Mechanical Inspection” as the term is used in this Code.

Section 103.2 – Building Commissioner. The Building Commissioner of the Town of Normal shall be the “Code Official” as that term is used in this Code.

Section 103.3 – Restriction of Employees. The Code Official or employee connected with the Department of Building Inspection except one whose only connection is that of a member of the Board of Appeals established under the provisions of SEC. 11.2-1 of the Municipal Code of the Town of Normal, Illinois, 1969, as amended, shall not be engaged in or directly or indirectly connected with the furnishing of labor, materials or appliances for the preparation of plans or the specifications therefore, unless he is the owner of the building, nor shall such officer or employee engage in any work with conflicts with his official duties or with the interests of the Department.

4. Section 104.7 – Department Records. Delete this Section.
5. Section 106.5.3 Expiration. Add the following sentence at the beginning of this Section:

Every permit issued shall expire and become invalid 180 days after the issuance or a later date if a later date is indicated on the permit by the Code official.
